TECHNICAL SKILLS

Python

C

Java

JavaScript

LANGUAGES KNOWN

Tamil, English

ACADEMIC PERFORMANCE

Semester	Marks
1st Semester	62
2nd Semester	71

HIGHLIGHTS

13 Certifications

4 Languages Coded

2 Projects

PROFILE

Motivated computer science student from Coimbatore with a foundation in C, Python, Java and JavaScript, seeking an entry-level opportunity to apply my skills and keep learning. I enjoy building practical programs, understanding data structures, and exploring cloud and process mining tools.

PROJECTS

Scholarship Eligibility Verification and Shortlisting

A system that checks applicants against scholarship criteria and shortlists the eligible candidates.

String Utility Box

A collection of handy string operations bundled into one easy-to-use utility toolkit.
